

## **Welcome to Hillcrest Hospital Student Nurses**

This packet contains information you will find valuable during your clinical rotation experience here at Hillcrest Hospital:

- I. **Welcome letter from Andi Wasdovich Vice President of Nursing/CNO**
- II. **Hillcrest Hospital Nursing Vision and Mission Statements**  
The Nursing Mission Statement provides direction on how we practice Nursing care at Hillcrest Hospital. The Nursing Vision Statement is what we are impassioned to achieve in Nursing practice.
- III. **Standards of Excellence for Student Experiences**  
The purpose of this document is to demonstrate Hillcrest Hospital's commitment to mentoring and educating students to provide them with the highest quality learning experience.
- IV. **Process for Applying for a Job "Helpful Hints to Apply On-line"**  
This letter describes how to inquire and apply on-line for Nursing opportunities that are available at Hillcrest Hospital.
- V. **Graduate Internship Program Brochure**  
This brochure describes in detail about our award winning program that will assist all newly graduated students in transitioning themselves from student nurse to practicing professional.
- VI. **Process for Attending In-service Classes**  
This form describes the process on how to find and attend In-services.
- VII. **How to Access the Hospital Policies and Procedures on the Intranet**  
This page describes the process on how to access policies on-line.
- VIII. **Accessing the "Nursing Student Clinical Rotation Evaluation" Form**  
The page describes how to access the student evaluation to provide us feedback on your clinical experiences. A sample evaluation is provided.
- IX. **Nursing Student Information Sheet**  
All students will complete this form so we have contact information about you to follow up with you on employment opportunities here at Hillcrest Hospital.
